Club Races. It was agreed to reduce the number of qualifying races to 8 to make the process more competitive.

Castles Relay Selection. A list will be opened as of the date of the meeting so that all members of the club can indicate in which leg or legs they wish to be considered to represent the club. The list will close on 1st June when selection will take place. Where there is more than one expression of interest a ballot will take place.

Note. The race organisers request that the runner of the last leg be a more able runner to allow the final results and presentations to be expedited.
